

UPGRADING ROOF-TO-WALL ATTACHMENTS

THINKING ABOUT A NEW ROOF? HERE'S HOW THE MSFH PROGRAM CAN HELP. THE MY SAFE FLORIDA HOME PROGRAM CAN HELP QUALIFIED HOMEOWNERS OFFSET THE COST OF STRENGTHENING YOUR HOME AND KEEPING YOUR ROOF ON.

FOLLOW THE 3 STEPS TO STRENGTHEN YOUR HOME AND SAVE ON INSURANCE

STEP 1

Get Your FREE Wind Mitigation Inspection

Before anything else, you must apply for and complete the required MSFH wind-mitigation inspection.

This professional inspection identifies what upgrades your home needs to better withstand hurricanes.

STEP 2

Apply for the MSFH Grant

Once your inspection is complete and you've been approved for a grant (up to \$10,000), you can decide which eligible improvements to move forward with.

Missing Hurricane Resistant Features

☐ Roof-to-Deck Attachments	☒ Roof-to-Wall Attachment
☐ Secondary Water Resistance (SWR)	☐ Opening Protection

STEP 3

Choose Your Upgrades

- Talk to your insurance agent
- Talk to your local Florida contractor

You choose your upgrade:

- Roof-to-wall attachments

ROOF-TO-WALL ATTACHMENTS

AVERAGE COST OF
RETROFIT CLIPS*

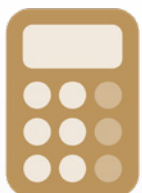

\$2,400 - \$5,800

YOUR SAVINGS TBD

Last year, on average, thousands of Florida homeowners saved \$932. Your savings will differ.

Pensacola, Jacksonville, Miami, Melbourne, Tampa, Naples

DO THE MATH

[Click to Calculate
Your Savings](#)

- The maximum MSFH grant is \$10,000. The grant can significantly reduce your out-of-pocket expense.
- Installing Roof-to-Wall Clips is one of the smartest home investments you can make. It protects your home and may lower your insurance premiums.
- Keep your roof on and protect what's inside your home with new roof-to-wall attachments.

*Average cost estimates based on 1750 square foot home in Florida.

A program administered by the Florida Department of Financial Services • 200 East Gaines St., Tallahassee, FL 32399-0317
